The Los Angeles Regional Adult Education Consortium (LARAEC) met Friday to continue discussions on Adult Education Funding. This is now being labeled as the Adult Education Block Grant (AEBG). As you know, there is about \$28 Million that are soon to be distributed amongst the five members; Burbank, Culver City, LAUSD, Montebello and LACCD. There was no resolution as to the amount that each member would receive. There are still questions about funding formulas and equity in distribution of the funds.

The next meeting is scheduled for October 16th. I will be attending that meeting and will continue to disseminate information as it becomes available.

At some point, we will have a funding date to begin restoration of some much needed classes throughout our Division.
