"To succeed, jump as quickly at opportunities as you do at conclusions." Benjamin Franklin

Approved by: Rosario Galvan, Principal

September 28, 2015

Aztec Training: October 1
Earthquake Drill: October 15

PRINCIPAL'S CORNER
Rosario Galvan

As we move closer to Adult Education Block Grant Funding, we need to focus on some key elements that will lead to sustained future funding. This includes the following five areas: 1. Course Completion Rates, 2. WIOA Learning Gains, 3. CTE Capstone Completion Rates, 4. HSE Completion Rates, 5. High School Diploma Passing Rates. All these areas are critical in measuring the overall performance of our program. In addition, funding will be based on attaining and maintaining adequate levels of performance.

To this end, Administration we will continue to provide support to all teachers in the way of guidance and visitations to ensure the best possible learning environment for students. Central office Administrators have also pledged to visit our campuses more often.

CASAS/EL CIVICS **EL CIVICS**

Please continue to incorporate the supplemental materials into your lesson plans in preparation for the EL Civics Testing that will take place Oct 5 - Oct 9. The subject of the test is Employment.

FALL CHILD ABUSE **AWARENESS TRAINING**

The deadline for completion of the CAAT is Sept. 30. Please make sure that you complete the training and turn your certificate of completion into Estela Horta at the NVOC Main Office.

ACCREDITATION

We are revisiting our **Student Learner Outcomes** to be sure they adhere to the guidelines of:

- Global outcomes that apply to all campuses
- Must be measureable
- Be able to provide specific evidence to support each of the SLOs

We will review the SLOs in the next Leadership Meeting and then will share with the Focus Groups and the rest of the staff for additional input.

LEADERSHIP TEAM MEETING

October 1, 2015
11:00am—12:00pm
NVOC— Room 102

FOCUS GROUP MEETING **Review Criterions 4-6 drafts**

October 7, 2015
11:30am—12:30pm
Rinaldi Adult Center

5:30pm—6:30 pm
NVOC—Room 102

National Disability Employment Awareness Month

Held each October, National Disability Employment Awareness Month is a time to celebrate the many and varied contributions of America's workers with disabilities. The theme for this year — which marks 70 years since the first observance — is "My Disability is One Part of Who I Am."

During this month the Disability Support Services Office will be providing informational materials to instructors to increase awareness and to provide information on instructional practices that help students who have disabilities. The DSS Office is open M-F, 8:00-2:30 to support staff and students.

Please contact us at ext. 367 if you have questions.

SCHOOL SAFETY

FIRST AID KITS

All classrooms and office should have a first aid kit. If you do not have one, please notify the Main Office where you are assigned. Teachers that share rooms should have one kit and both teachers need to have access to that kit.

LAUSD BENEFITS ADMINISTRATION

Total Health Management

Integrating physical, emotional & financial wellness

Employees are encouraged to visit and utilize the resources available through the LAUSD **Benefits Administration website**. These resources include wellness information, the Employee Assistance Program and District health plans.

CPR CLASSES OFFERED

Interested employees can take a CPR class offered through District Nursing Services. The 2015-2016 Fall Schedule for CPR is listed on the next page.

PARKING

Please remind students to be courteous in the student parking lots. The lots can get crowded during peak class hours and students should park within the parking lines and leave room for the next person to get in and out of their vehicles.

COMMUNITY NEWS

We want to thank students Francisco Fernandez, Nora Zambrano and Clara Inocente from Mr. Craig's **Building and Grounds Worker class** for their commitment to the community. They served as volunteers for the LACOE Valley Fall Hiring Spree last Thursday, September 17, 2015. The event was great success because of their efforts.

Mission Statement

North Valley Service Area offers educational and training opportunities that provide a diverse population of students with skills to participate more effectively in the family, at work and in the community.
