WIOA Advisor Laura Chardiet came by for a program review this week. I'm happy to say that we have hit some very high marks in ESL, ABE, EL Civics, and ASE. In fact, we were NUMBER ONE in a couple of areas. This is a great accomplishment since there are other Service Areas with more classes and teachers. Also, we were NUMBER ONE in CTE enrollment for last year. No other Service Area has more CTE students enrolled. I want to thank, not only the WIOA and Perkins Advisors for their hard work, but also all the advisors and teachers who work so hard to maintain a high level of professionalism on our campuses.

On another note, our Aviation program just received a wonderful donation. Ms. Penuela, along with the Aviation teachers, acquired a \$10,200 scholarship which will be awarded each year – INDEFINITELY- from Clay Lacy Aviation. Our heart-felt gratitude and appreciation goes out to CEO, Brian Kirkdoffer and Marketing VP, Scott Cutshall for making these scholarships available to our students. Thank you!

Leadership Team Meeting

Wed., Sept. 10
1:00—2:00 pm
NVOC Room 102

Leadership Team members will review a draft of the School Characteristics Chapter and Review Progress Report on Key Issues Since Previous Self-Study for Chapter 2.

CAHSEE Update

It is official! Governor Brown signed SB 725, a bill allowing the class of 2015 high school program students who have completed all coursework and other graduation requirements, to receive diplomas without passing the CAHSEE.

Our counseling staff will be reviewing grad files from last school year to determine which adult students are now finished with all high school diploma requirements. These students will be notified and will receive their high school diplomas. This only applies to the class of 2015.

There is still pending legislation (SB 172) regarding CAHSEE status for future graduating classes (2016-2018). The Governor has until 10/11/15 to sign cancellation of the CAHSEE for the 2016-2018 classes into law. Sometime between 9/11-10/11/15 we should receive official word. Teachers and counseling staff should inform all CAHSEE students of this pending legislation as it is anticipated that future CAHSEE administration will be cancelled for 2016-2018 graduating classes. DACE is asking that any student in CAHSEE Prep be given the option to reenroll in any other course needed for graduation if they choose to drop their CAHSEE Prep course. Please stay tuned for official notification regarding SB 172.
