Summer School: At the present, we are planning a six week summer session that will run from June 20th to July 29th. We will only be offering daytime classes at NVOC, EVSC and Rinaldi. Summer funds are limiting us to offer classes at only those three sites. There will soon be notices in teacher mailboxes asking if you are interested in teaching for the summer.

All teachers who wish to teach a summer session must meet eligibility requirements, such as, teaching in your subject area in the last six semesters. Other requirements must be met to receive a summer offer.

Please check your mailbox for these notices since I will need to hear back from all interested teachers by the deadline indicated. Those who are not interested must return the notice declining to teach in the summer. The timeline is very, very short since we will be working on fall assignments immediately after the summer assignments are complete.

WASC preparations are in full swing! Be on the lookout for more information. We will be sending out notices and requests for participation. Remember that a successful WASC visit will require a Service Area-wide Team Effort! Thanks for all you do!

Enjoy your time of off!!

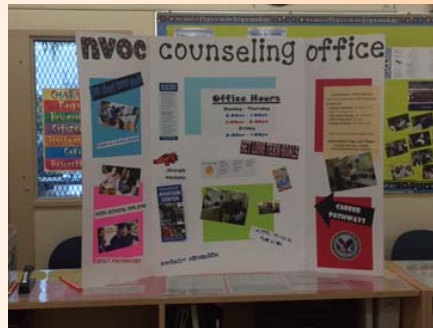

ACCREDITATION

Evidence in the Classroom

The sample notebooks are now at all the campuses in the main office for teachers to use as a reference for their own notebooks. The materials for the notebooks were also distributed this week which contains our school profile (Chapter 1), it is a very interesting read about our school and how it got started.

The trifolds are also now available in the main offices, please pick one up to use for your class. You can put on class flyers, student pictures, student work, assignments, long-term lesson plans and any other items you feel are relevant and interesting about your class. Teachers who share rooms and subjects taught can work on one board for the room but each teacher should have their own notebook.

We are getting close to our visit and need to make this last push to get our evidence together and our school ready.

Thanks for all you do for our students and the school!

WIOA/CASA

ABE Reading and Math Teachers: CASAS testing materials should have been submitted to the WIOA office last week. We are currently scanning all the test forms, and students gains reports should be delivered by the end of this week.

ESL Teachers: EL Civics testing continues to take place this week.

ESL teachers are invited to attend a **paid** one-hour meeting at each site to discuss their students' CASAS performance, dates and time: TBA. They will also receive customized CASAS supportive materials to address students' competencies.

II Labs Teachers: CASAS testing is still taking place this week. Students who already earned two payment points or scored 246 or higher on the pretest and do not need to test this time. Please have them fill out the Entry form only. Please pretest all new students with no previous test records. Additionally, have them fill out the Entry (blue) form.

CASAS and EL Civics support materials can be found by going to our official link below.
