## PRINCIPAL'S

### CORNER

Rosario Galvan

We had a fantastic meeting on Friday featuring Assembly Member Patty Lopez. Ms. Lopez was invited by our Student Council President, Mary Macias, to speak about a new initiative on Adult Education. The class was crowded with students and the energy in the room was incredible. We all received an update the bill (AB1846) and how it has won the first stage of approval by a vote of 12-0. This bill would augment Adult Education funding by \$250 Million when passed. Many thanks to our active student council leaders and all the students and staff who attended!

Places everyone! Accreditation visitors are here! I would like to remind all teachers and staff to be aware of the visitation schedule, attached. Since there are four Visiting Committee members, they may split up and visit classrooms at any of our five sites. We have scheduled visiting times throughout the day and evening on Monday, Tuesday and Wednesday. It is not possible to let you know exactly which day or time they will be coming to your class. We just need to be ready and greet them as they arrive. You have all worked so hard to prepare for this visit. I am very confident that all will go as planned. So, raise the curtains, we are ready to let the lights shine on our incredible school!

## WIOA/CASA

### ABE Reading and Math Teachers:

CASAS testing is scheduled for this week. As you hand out the test booklets, please assure that students receive the test that was assigned. This is particularly important when many of the students in a class were assigned test booklets that look similar in color.

-Some of the students do not need to take a test as they already earned the maximum number of payment points allowed in a fiscal year.

### ESL Teachers:

-CASAS makeup testing is scheduled for this week.

\_ EL Civics results will continue to be delivered.

**II Labs Teachers:** Please pretest all new students with no previous test records. Additionally, have them fill out the Entry (blue) form.
