The graduation ceremony was picture perfect! We had a sell-out crowd of over 900 students, family and friends on hand to support our Grads. Special thanks go out to all teachers, teacher assistants and staff members who worked so hard to make this yet another successful event!

We have been working on expanding the use of technology on our campuses for next school year. We have received additional iPad carts which can be checked out for classroom use starting in the fall. Please be on the lookout for workshops and training opportunities that can help maximize instruction for our students. All areas of instruction have a wealth of online programs, lesson plans and applications (Apps) that are available for classroom use. Many of these are free of charge and can be utilized by students with little time and effort.

As a reminder, we will be having our "End of the Year" faculty meeting on Monday, June 13th. Please make plans to attend this meeting at the Rinaldi campus, 10:30 am. All teachers are required to attend the meeting.

Student Council Recognition Celebrations

Year-end Student Council recognition celebrations will be held at East Valley Campus on Tuesday, June 7th at 10:00 a.m. in room 218, and Wednesday, June 8th at 7:15 p.m. in room 206. Active Student Council members have been invited to attend the events. Food and beverages will be serviced and awards for service presented. Thank you Student Council for all the memorable events this school year!
